History

This is situated This temple consists of a garbhagraha an antarala and a sabhamamdapa. The garbhagraha doorframe is decorated. There are dvarapalas on either side of it. A Nandi in the antarala is facing the Sivalinga in the garbhagraha. The antarala has a decorated doorframe. On either side of it are dvarapalas. A Trimutri sculpture is in the lalatabimba. On either side of the doorframe are Jalandharas. Four kosthas in the mandapa have sculptures of saptamatraka, Chamundi, Bhairavi and ladies playing Veena respectively. The exterior walls of the Kakshasana contain pilasters and amorous sculptures. The garbhageraha the antarala and the sabhamandapa have Bhuvanesvari. Over the garbhagraha is a trital viman.
